Jackson Bolouri

Searching for computer science internships for this upcoming summer. Knowledgeable, dedicated, and passionate, I don't give up on a problem until it's solved.

Computer Science 1 Teaching Assistant	**Electronics Team Member**	**Apprentice Electrician**
University of Rochester 2021 - Present	Target 2019 - Present	Bolouri Electric 2016 - 2018
Taught basic and upper-level undergraduate computer science and cybersecurity courses with class sizes averaging 35 students.	Worked with a team to provide fast and friendly customer service to sell a vast variety of electronics products. Recognized twice as "Electronics Top Performer" in 2021.	Installed, tested, and maintained work with hand and power tools. Contributed to 50+ large construction projects as an assistant to the master electrician.

Bachelor of Science in Computer Science

University of Rochester
3.98/4.00
